## YOU'RE INVITED TO THE 2007 SPRING AUBURN HOME SHOW

Spring is here. Nature is bursting with the energy of renewal and the Auburn Home Show is bursting with ideas to make your life easier and more fulfilling.

Come spend the day exploring all the exhibits and demonstrations on Auburn's beautiful Gold Country Fairgrounds. Bring your ideas, sketches or design plans for that special project you've been planning. Take advantage of the expert advice and tremendous discounts available.

Don't forget to sign up for fabulous prizes and take home the special samples and souvenirs many of the more than 1,100 vendors offer. 'Imagine the World' display from Quick Creations can't be missed with incredible themed vignettes.

Outstanding restaurant chefs will demonstrate fantastic recipes, right before your eyes. You'll get to sample them, too! Check out the outdoor living displays, the spectacular garden vignettes, great food, and special features such as real estate buyers and sellers seminars. New this year is putting something in the garage. Big Boys' Toys with a Backyard Pool Jam Wakeboard competition.

General admission is \$6 for adults, but you'll get \$1 off if you bring a donation of canned or packaged food for the Auburn Interfaith Food Closet. Admission for kids aged 5-12 is \$1, those under 5 accompanying an adult will be admitted free.

Friday is Seniors' Day, with those 60 and older admitted for \$1. Parking is \$4.

For more information, visit [www.AuburnHomeShows.com](http://www.AuburnHomeShows.com).

See you at the show!

## TIPS ON GETTING THE MOST OUT OF THE SHOW

The Show is BIG! With 1100 exhibits, you'll want to come early and plan on spending most of the day. Enjoy a lunch break at the International Food Court.

- Wear comfortable shoes. The show is indoors and outdoors, so dress appropriately.
- Make a List. Take some time before coming to the Show to jot down your projects. Browse the exhibitor list to see which vendors interest you the most.
- Collect Information from any vendors that interest you so you can read and compare at your leisure.
- Attend a seminar — a big part of the Home Show is the ability to find people who know how to build, remodel, design, landscape and provide the products and services that you need. Another way is to attend a seminar to tap into that expertise. All seminars are free.
- Don't just browse...talk to vendors. If you are interested in a product or service, leave your name and phone number and ask the vendor to follow up with you after the show.
- Pick a meeting place in case you get separated from you party. We suggest the planter in front of Placer Building, Map #16.

- Bring this magazine with you to the show as a reference.
- Bring blueprints, floor plans, sketches and measurements to the show. Many vendors are prepared to take your information.
- Get ready to shop! There are many items that you can purchase right at the show.
- Bring preprinted self-adhesive address labels if you have them. You can sign up for lots of prizes, etc., very quickly.
- Bring Strollers for the kids. Strollers and wheel-chairs are not available for rent so remember to bring your own.
- The Fairgrounds have inclines and slopes that can be hard for people with walking or breathing difficulties. For ease, drop off persons at the High Street gate (no parking available) and park in the public parking lot and meet them in the show. On weekends, you can also park in overflow parking and take the free shuttle bus to the show.

## DIRECTIONS TO THE SHOW

### *From Sacramento:*

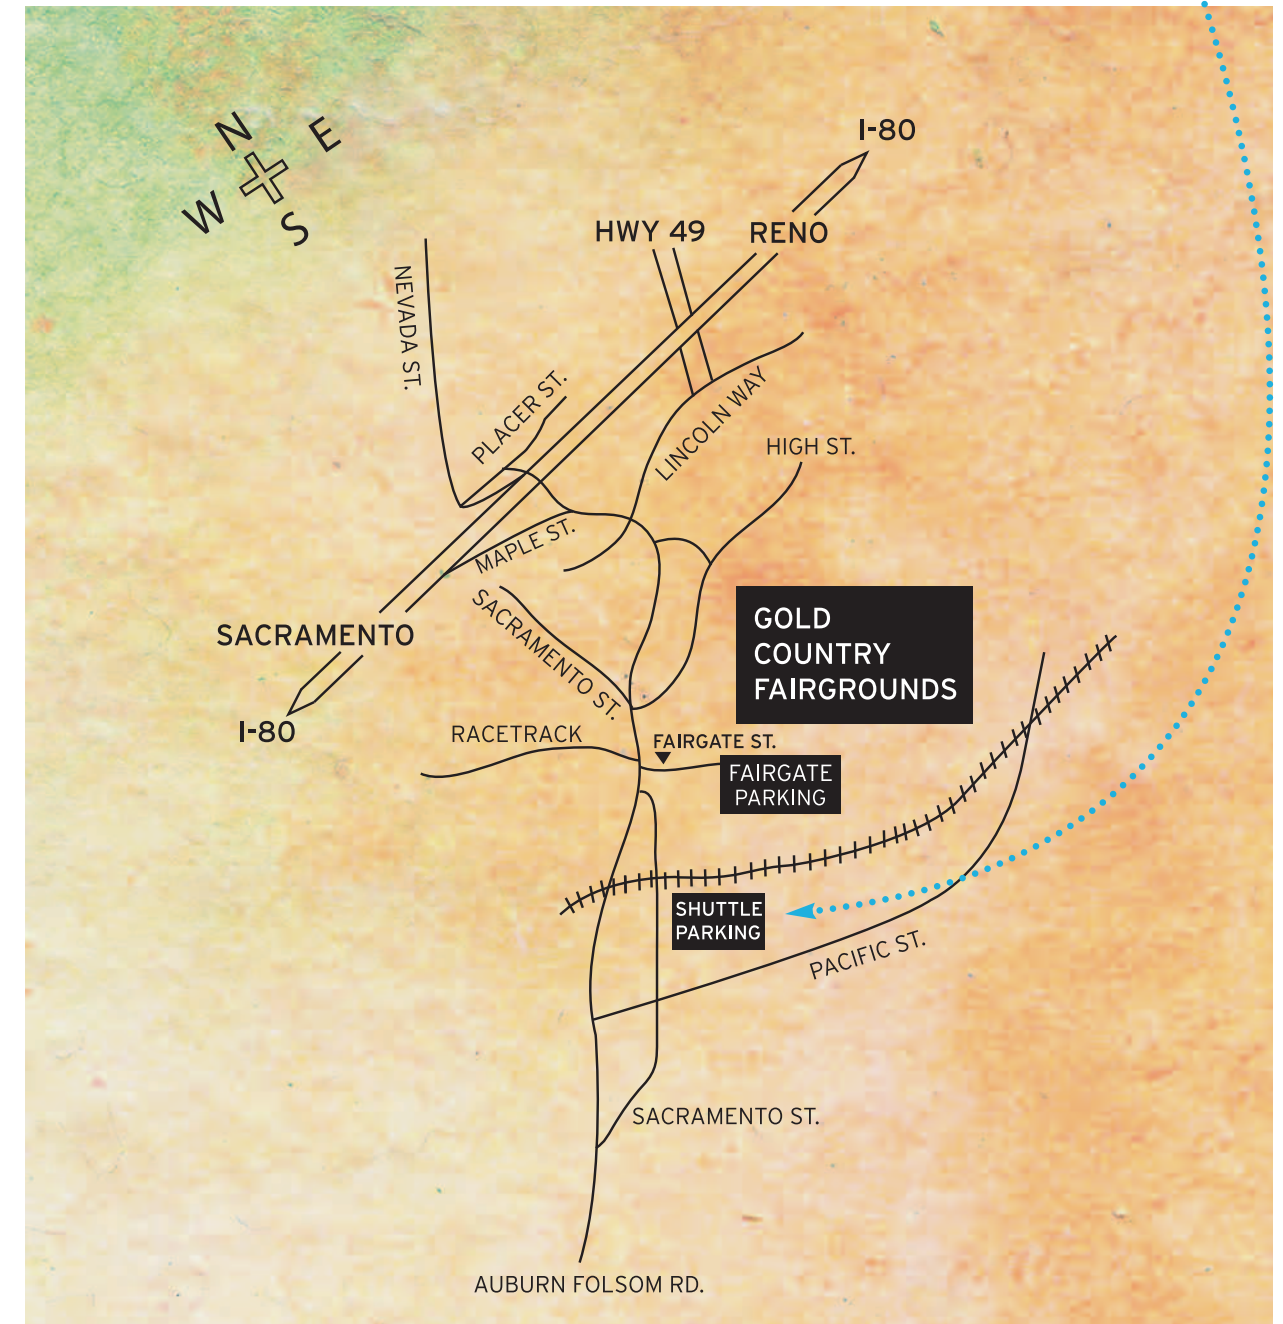

Take I-80 East, Exit Maple St./Auburn, Follow signs to Fairgrounds

### *From Reno:*

Take I-80 West, Exit Nevada St./Auburn, Cross over FWY, Follow signs to Fairgrounds

### *Free Shuttle Service:*

Sat. & Sun. 10-6. It's easy, just park at the Sacramento St. lot (\$4 parking) and enjoy a short ride to the front gate. The bus will pick up passengers about every 10 minutes and will operate in both directions.

## WHY IS IT CALLED A SUNROOM?

by Kevin Petkus

I could never understand why we use the simple name "Sunroom" when the use is multi-faceted.

It could easily be called the "Indoors, Outdoors, Extra, Night Time, Daytime, Winter, Spring, Summer, Fall, Cool, Warm, Play, Pool, Moon" room.

And now, new technology has brought 'Sunrooms' to a higher level with the new advanced material such as Conservaglass Plus by Petkus Brothers. It will keep the heat out during the summer and cold during the winter, and is virtually maintenance free.

For a limited time Petkus Brothers is offering up to \$ 3,000 off every room as well as a free upgrade to the advanced Four Seasons Conservation Plus.

Visit us at our booths at the Auburn Home Show (Map #2 & 12) for these offers and many other show specials that including *Durawood Patio Covers, Caldera spas, and Trex Decks and Railings, and Dimplex Electric fireplaces.*

Sunrooms are an easy and affordable way to add additional space to your home while increasing it's value and your equity.

## COMPANIES COMBINE FOR DRAMATIC EFFECT

One of the most popular show exhibitors is Atlantic Stone Products. Not only because of the \$10,000 countertop giveaway but for their excellence as a business.

Recently, Atlantic Stone moved its tile and stone gallery to 4200 Pinell Street, Sacramento. This new site doubles the fabrication shop, increases the show room floor and offers an indoor warehouse for customer comfort. Hassle-free volume purchases provide pricing that includes all of the costs involved in importing stone.

Joining Atlantic Stone is Art Tile by Marti, with the ability to discuss and design each customer's custom tile. Art Tile by Marti features hand-made, sculpted glazed tiles, fired on location. Hand painted scenes of the customer's choice can also become part of the individual's décor with beautiful tumbled stone. These can all be designed as back splash areas

in kitchens, bars and baths or as walls of beauty in dining areas and outdoor entertainment rooms.

The new show room is a designer's dream, featuring a unique wide selection that offers a one-stop show for material sales, fabrication and installation. Creativity is their specialty, with great quality and service. Visit their booth at the Auburn Home Show (Map #13).

Atlantic Stone and Art Tile by Marti combine their efforts to create a personalized and dramatic effect

# INTERNATIONAL FOOD COURT Map #15

at the International Food Court, a fantastic offering at the Spring 2007 Auburn Home Show.

There are several new features this year, such as pizza from a brick oven and a special arrangement with Fat Daddy's whereby he can package the delicious ribs for you to take home! Just imagine, munch on these mouth-watering ribs at the Home Show and take them home for an outstanding meal with the family, too!

You'll also get a preview of food that will be on the menu of the Downtown Grill, a new restaurant that will open in Auburn in June. Their menu includes steakburgers, grilled chicken and their restaurant will also have seafood and salads.

Don't miss the Drooling Dog BarBQ concession, whose Chipotle Raspberry BarBQ sauce placed first in the Spicy Fruit BarBQ Sauce division and won this Colfax outfit an Award of Excellence at the National BBQ Association's convention in Raleigh, North Carolina.

Award Winning Drooling Dog's Sauce will be served at the Auburn Home Show.

Great food – with tempting aromas wafting over the area to tantalize your nose and tummy; it's all available

Sacramento Artistic Concrete, Inc.  
Service, Quality, and Standards above the rest.

Transform that interior and exterior surface around your home or business into an elegant, warm or striking area that makes a statement like no other. Your concrete surfaces (new, old, cracked or pitted) can be acid stained, overlaid or coated to create flooring treatments with jaw dropping results. You'll also have the flexibility for personal customizations to give your surface that truly unique look.

Proudly chosen contractor for the staining and overlay needs of the Street of Dreams 2006 in Auburn, CA.

## Summer is just around the corner and the hot weather also means higher electric bills!

Are you paying \$200 or more a month for electricity? Families who have invested in a Premier Power Solar system know the satisfaction of paying an electric bill as low as just \$5 a month. So can you...

**How does it work?** A solar system converts the sunlight into electricity. If you produce more than you need, your meter will literally spin backwards and you will receive credit from the electric company.

**Why Premier Power?** We pay attention to details and treat your home as if it was ours. Our experience with more than 1,000 installation and our "Solar Zero Defect" quality program guarantees you will get the highest quality product and installation.

**Coupon** valid on May 18 - 20, 2007

People quickly found that Vicki's restorer formula worked like magic on all types of wood surfaces. Dreary wood floors became like new again. Antiques took on a natural glow that refinishing couldn't duplicate. Furniture took on a luster that makes homeowners proud again.

"The Auburn Home and Garden Show really helped launched us on our way to success years ago," says Vicki.
